# What makes AstraChat different

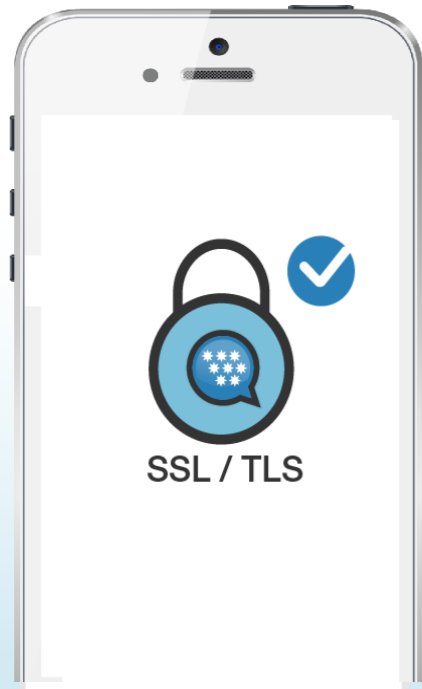

The image displays the AstraChat app interface on an iPhone. The main screen shows a list of chat conversations with the following details:

Name	Message Preview	Time	Unread Count
Betty	Hey Andy, where are you?	12.30	3
Cindy	Go to Bali	11.30	2
Diana	on vacation	10.30	1
Edward	I've got it	09.30	0
Farah	Is Mom birthday this saturday?	08.30	0
Gia	Don't forget morning meeting	21.30	0
Hans	Okay then, see you tomorrow	21 Des	0
Ingrid	Good nite.	20 Des	0

Callout features include:

- Secure Connection:** Represented by a padlock icon with a checkmark.
- Unlimited Picture Share:** Represented by a camera and image upload icon.
- Direct Connect:** Represented by a server rack and a smartphone icon with a double-headed arrow, indicating direct communication between the server and the user's device.
- Always ON!**: A blue banner indicating the app's persistent availability.
